Commercial Booths: Commercial booths normally include back drop curtains or a wall, table skirts and electric outlets. Most commercial tables are eight feet long. When reserving commercial booths or tables, please refer to the floor plan and indicate your preference. In the booths with support tables at the rear of the booth, the vendor pays only for the front and end-cap tables. With commercial booths, the purchase of entry tickets for door prizes and grand prizes is optional. Booth tables are priced starting at \$80.00 per front table. Price depends on booth size and location. Contact us for details about the pricing of a booth. We will try to work with you to package what you need at an affordable price.

Swap Tables: Some vendors prefer to order a number of swap tables in-lieu-of commercial booths. These six foot tables include all the numbered tables in the auditorium. Commercial vendor requests for more than four tables will be given priority on location and availability of power in the floor area of the tables. Swap tables require the purchase of Entry/Door Prize and Grand prize tickets.
